PRIVACY POLICY

Effective Date: 11th May 2026

Last Updated: 11th May 2026

At Infou ICS (Infou Consultant Service), we are committed to protecting your privacy and handling your personal information with complete transparency and care. This Privacy Policy explains what information we collect, how we use it, how we protect it, and what rights you have over your data.

By using our website infou.in, our free AI Scheme Finder tool, or any of our consultancy services, you agree to the practices described in this Privacy Policy. Please read it carefully before using our services.

1. Who We Are

Company Name: Infou ICS (Infou Consultant Service)

Website: infou.in

Email: hello@infou.in

Location: Gujarat, India

Service: Funding consultancy — scheme identification, grant and loan application support for startups, MSMEs and businesses across India.

2. What Information We Collect

We collect two types of information: information you provide to us directly, and information collected automatically when you use our website.

Information you provide directly:

- Full name — when you use our free AI Scheme Finder tool or contact us
- WhatsApp number — for follow-up communication and sending your scheme report
- Email address — for sending scheme reports, updates and communication
- City and state — to match you with location-specific schemes and funds
- Business name and description — to understand your business and find relevant funding
- Business sector, stage and type — for accurate scheme matching
- Funding requirements — amount needed and purpose of funding
- DPIIT registration status — to identify schemes requiring this registration

- Founder category — general, women, SC/ST, student — to match category-specific schemes
- Documents submitted as part of our consultancy service — Aadhaar, PAN, bank statements, business registration certificates and other required documents

Information collected automatically:

- Pages visited on infou.in and time spent on each page
- Device type, browser and operating system
- IP address and approximate geographic location
- How you found our website — search engine, social media or direct
- Actions taken on the website — buttons clicked, forms submitted

3. How We Use Your Information

We use the information we collect only for legitimate business purposes directly related to providing our consultancy services:

- To match your business profile to the most relevant schemes, grants, loans and private funds from our database of 1000+ options
- To contact you via WhatsApp or email with your personalised scheme report
- To follow up and discuss how our paid consultancy services can help you
- To prepare documents and file applications on your behalf as part of our paid service
- To send you updates on the status of your applications
- To send monthly scheme alerts if you have subscribed to this service
- To improve our AI Scheme Finder tool and the accuracy of our scheme matching
- To analyse website usage and improve user experience
- To comply with legal obligations

We will never use your information for purposes other than those listed above without your explicit consent.

4. How We Share Your Information

We take your privacy seriously. We do not sell, rent or trade your personal information to any third party under any circumstances.

We may share your information only in the following limited situations:

- With our internal team members — Sudhanshu Sharma, Yatharth Chopra, Apurva Banerjee and Aryan Sharma — who need access to provide you with our services. All team members are bound by a Non-Disclosure Agreement.
- With government portals and agencies — only when filing applications on your behalf as part of our paid service, and only with your explicit consent.

- With trusted technology service providers — such as Google (for analytics, email and drive storage) and Hostinger (for website hosting). These providers have their own privacy policies and are bound by data processing agreements.
- When required by law — if we are legally required to disclose information to comply with applicable law, court order or government request.

We will always inform you before sharing your information in any situation not covered above.

5. How We Store and Protect Your Information

We implement appropriate technical and organisational security measures to protect your personal information against unauthorised access, alteration, disclosure or destruction.

Our security measures include:

- All client documents are stored in password-protected Google Drive folders with restricted access
- Our website uses HTTPS encryption — all data transmitted between your browser and infou.in is encrypted
- Access to client data is limited to team members who need it to provide the specific service
- All team members have signed NDAs committing to data confidentiality
- We do not store payment card details — all payments are processed via UPI or bank transfer directly
- Regular review of who has access to what data

While we take every reasonable precaution, no method of transmission over the internet or electronic storage is 100% secure. We cannot guarantee absolute security but commit to notifying you promptly if a data breach occurs that affects your information.

6. Data Retention

We retain your personal information only for as long as necessary to provide our services and comply with legal obligations.

- Free AI tool enquiries — we retain your name, WhatsApp, email and business details for 12 months from the date of submission, after which they are deleted unless you become a paid client
- Paid client records — we retain all documents and correspondence for 3 years from the completion of your case, as required for business records and potential future reference
- Website analytics data — retained for 26 months as per Google Analytics standard settings
- Email communications — retained for 2 years

You may request deletion of your data at any time. See Section 8 for your rights.

7. Cookies and Tracking

Our website infou.in uses cookies and similar tracking technologies to improve your experience and analyse website usage.

Types of cookies we use:

- Essential cookies — required for the website to function correctly. These cannot be disabled.
- Analytics cookies — Google Analytics 4 cookies that help us understand how visitors use our website. These are anonymised and do not identify you personally.
- Preference cookies — remember your language preference and other settings.

You can control cookies through your browser settings. However, disabling certain cookies may affect the functionality of our website. By continuing to use infou.in, you consent to our use of cookies as described above.

8. Your Rights

Under Indian data protection principles and international best practices, you have the following rights regarding your personal information:

- Right to access — you may request a copy of all personal information we hold about you
- Right to correction — you may request correction of any inaccurate or incomplete information
- Right to deletion — you may request deletion of your personal information, subject to our legal obligations to retain certain records
- Right to withdraw consent — you may withdraw consent for us to contact you at any time by sending a message to hello@infou.in or WhatsApp
- Right to object — you may object to us processing your data for marketing purposes at any time
- Right to data portability — you may request your data in a commonly used format

To exercise any of these rights, please contact us at hello@infou.in. We will respond to all requests within 30 days. We will never penalise you for exercising your privacy rights.

9. Free AI Scheme Finder Tool — Special Notice

Our free AI Scheme Finder tool at infou.in collects your name, WhatsApp number, email, city and business details before showing your results. This information is used to:

- Generate and display your personalised scheme matching results
- Send you the full scheme report via WhatsApp or email
- Follow up to discuss our paid consultancy services

By submitting your details in the Scheme Finder tool, you consent to us contacting you via WhatsApp and email with your scheme results and information about our services. You may opt out of further communication at any time by replying STOP to any WhatsApp message or emailing hello@infou.in.

We do not share the information submitted in the Scheme Finder tool with any third party. The results shown are generated from our internal database and are for informational purposes only. They do not constitute a guarantee of eligibility or approval for any scheme or fund.

10. No Guarantee Disclaimer

Infou ICS provides guidance and application support services only. We do not guarantee approval, disbursement or success of any scheme, grant, loan or fund application. All final decisions rest with the respective government body, financial institution or private fund.

The information provided through our services, including the AI Scheme Finder results, is for informational purposes only and does not constitute legal or financial advice. We recommend consulting a qualified CA or legal advisor for specific financial or legal matters.

11. Third-Party Links

Our website may contain links to government portals, scheme websites and other third-party websites. When you click these links, you leave infou.in and our Privacy Policy no longer applies. We are not responsible for the privacy practices of third-party websites and encourage you to review their privacy policies before submitting any personal information.

12. Children's Privacy

Our services are intended for business owners, startup founders and entrepreneurs. We do not knowingly collect personal information from individuals under the age of 18. If we become aware that we have collected information from a minor, we will delete it promptly. If you believe we have collected information from a minor, please contact us immediately at hello@infou.in.

13. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our services, legal requirements or best practices. When we make material changes, we will:

- Update the "Last Updated" date at the top of this policy
- Post a notice on our website infou.in
- Where appropriate, notify you via WhatsApp or email

We encourage you to review this Privacy Policy periodically. Your continued use of our services after any changes constitutes acceptance of the updated policy.

14. Grievance Officer

In accordance with the Information Technology Act 2000 and the rules made thereunder, the name and contact details of our Grievance Officer are:

Name: Sudhanshu Sharma

Designation: Founder, Infou ICS

Email: hello@infou.in

Website: infou.in

Response Time: We will acknowledge your grievance within 24 hours and resolve it within 30 days.

15. Contact Us
