5. No Guarantee Policy

This is the most important section. Please read it carefully.

Infou ICS does not guarantee the approval, disbursement or success of any scheme, grant, loan or fund application.

All final decisions rest with the relevant government ministry, state body, bank, financial institution or private fund. These decisions are entirely outside our control and depend on factors including but not limited to:

- Your business eligibility at the time of application
- Availability of funds under the scheme
- Government policy changes after application is filed
- Decisions made by the approving authority

By engaging our services, you acknowledge and accept that:

- Payment to Infou ICS is for the guidance, document preparation and application support service — not for a guaranteed outcome
- A rejected application does not entitle you to a full refund of our service fee
- We will always inform you honestly about the likelihood of success before filing any application

We will never make false promises about funding outcomes. If we believe a scheme is not suitable for your business, we will tell you — even if it means recommending against applying.

6. Refund Policy

We understand that funding outcomes are uncertain. Our refund policy is fair and transparent:

Before work begins (prior to document collection):

Full refund of advance payment if you cancel before we have started any work.

After work has begun but before application is filed:

50% refund of total fee paid. The remaining 50% covers the work already completed — research, scheme matching and document preparation.

After application has been filed:

No refund. The full scope of our service has been delivered. The outcome of the application is beyond our control.

In case of our error:

If an application is rejected due to a documented error on our part — wrong scheme selected, incorrect documents submitted or missed deadline — we will re-file the application at no additional charge or offer a partial refund at our discretion.

To request a refund, email hello@infou.in with your client ID and reason. We will respond within 7 business days.
